Smooth White

Product Information

Bedhead AL provides focused illumination at a downward 45° angle to create a soothing ambiance for reading and relaxation. For added comfort and convenience, it is adjustable at a 25° rotation in either direction.

Bedhead AL minimises the risk of self-harm or injury by preventing the attachment of ligatures. It is designed to be disassembled and reinstated to ensure maintenance can be undertaken quickly and easily after anti-pick mastic application.

Applications include Bedrooms and En-Suites.

This luminaire is designed for longevity and sustainability and adheres to our circular design principles. We conduct a circular economy assessment using [TM66](#) and measure embodied carbon (kgCO₂e) in accordance with [TM65.2](#).

Impact Resistance Rating: IK10 (20J). [Learn More.](#)

Ingress Protection Rating: IP20. [Learn More.](#)

Housing: Aluminium body.

Paint: Polyester powder coat. [All Colour Options Available Here.](#)

Diffuser: Clear polycarbonate diffuser.

Driver: Integral electronic control gear.

Mounting: Wall.

Cable Entry: In back. Supplied with flying lead and connectors.

Design Life: 30+ years. [Learn More.](#)
